RE: SUSPENSION NOTICE FOR NEW SHIPS REGISTRATION

This letter serves to inform you that:

The Tanzania Zanzibar International Register of Shipping (TZIRS) is here by informing all concerned parties that, due to the unsatisfactory status of Tanzania flag as reported by USCG, Paris MoU, Tokyo MoU, the Administration has prepared special arrangements for critical reviewing of the existing vessels in order to clean Tanzania flag from the existing situation of being black listed of high risk under Paris MoU and Tokyo MoU.

Therefore, for the time being the Administration has suspended new registration of vessels effectively from the date of this letter. However, the Administration will resume immediately after the completion of the said review and will be announced by official notice

We are verry sorry for any inconvinience caused during this period.
